Mayor's Message

by Mayor Clark A. Wilkinson

Dear Residents:

I am excited about all the happenings since the last newsletter message, starting with the Fourth of July celebration at the park and the accompanying parade. Both are such wonderful community events! I know I speak for all who attend each year in expressing appreciation for the incredible number of hours donated by so many neighbors to make this happen. Thank you, and well done!

Since the last newsletter, we have seen our frontage road repaving project almost come to fruition. By the time you receive this it should be done. Widening of the road allows bike lanes to be painted on both sides, which should make the road much safer for many of our residents who enjoy getting out and riding their bikes. In addition, we should have a nice smooth road from Parrish Lane to our border at Lund Lane. Hooray!

During this time, the zoning was changed on Pages Lane (the upper east half of the property, above Deseret Industries) from Commercial High to Residential Medium. If all goes as planned, there should be some very nice homes in that area in the upcoming new year.

As you drive along Main Street, just north of Porter Lane, you will likely notice that we broke ground on the construction of the new fire station. Chief Bassett (Fire Chief), Mayor Earnshaw (Board Chair), and I are excited to have all the modern necessities available for our firefighters. As an added bonus, the old fire station has been sold to a long time Centerville business. It is GREAT for all involved when we can retain our businesses within our city boundaries.

One final, but important and exciting happening: We are concerned for the well-being of our citizens; therefore, an impressive task-force is actively developing a program to increase wellness in our community and decrease depression and suicide.

"The Mayor's Initiative on Wellness - Centerville Cares" was introduced at the South Davis Emergency Preparedness Fair on September 8, at the Megaplex Theaters. We are grateful for the enthusiastic response we have seen thus far for this effort, and are so pleased the Davis School District, having reviewed the video, is supportive and is recommending it be used throughout the district. Please go to the City website at centervilleut.net and double click on "Centerville Cares" on the home page. There you will find an important, uplifting video introducing "Centerville Cares" as well as educational training, resources in Davis County, the calendar of Centerville City events, and ways that we can reach out and connect as a community. We need the help of all our citizenry for this to be successful - we need YOU! Check out the website and check back often for upcoming events and information on how to be involved!

"Thank You" to each one of you. I continue to be in awe of our residents. It is an honor and pleasure to serve as your Mayor!

Sincerely,
Clark A. Wilkinson, Mayor

The Mayor, City Council and City employees express their condolences to the family of Centerville Police Officer Jason Read, who died on October 9 from injuries sustained in a motorcycle accident. Police Chief Paul Child said of him, "Officer Read was a giant of a man and a leader in [the] department He was always passionate about his job."

Pumpkin Walk!

Come join us for our annual Pumpkin Walk! On Monday, October 29, bring your carved pumpkin to display and compete with your neighbors. This event will be held at Smith (Founders) Park, 300 North 100 East.

Contestant categories are: Cutest, Best Design, Scariest, Funniest and Anything Goes. Please drop off your carved pumpkins from 5:00 to 5:30 p.m. Candles are provided for contestant pumpkins. Come view the talent of your neighbors from 7:00 to 8:30 p.m. Hot chocolate will be served. The prizes will be awarded at 8:15 p.m.

This event is sponsored by the Centerville City Youth Council. For questions, call Lisa Summers at 801-295-3477.

Night Out Against Crime

Fall Leaves and Winter Snow

With fall upon us and winter on its way, let's talk about cleaning up your yard. When you're raking up leaves or using a handy leaf blower, make sure to keep the leaves on your property. Leaves shouldn't be pushed/blown/raked into the street. When the weather turns, and it is time to shovel walks and driveways, the same rule applies. Snow blow/shovel snow onto your property and not into the street. This helps keep our streets clean and our gutters flowing properly.

168 North Main Street

September Was Arbor Month

On September 14, the Parks Department planted two new trees at the Whitaker Museum in honor of Arbor Month.

A big thanks to the Poll family (pictured at right) for their generous donation of a tree at Porter-Walton Park.

Historic Homes Tour a Success

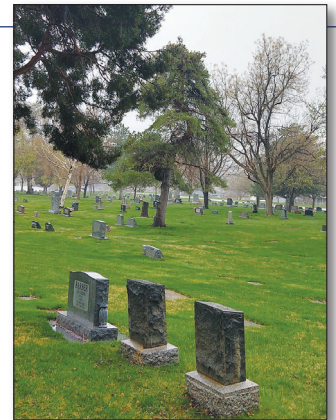

Many thanks to the efforts of the Centerville Landmarks Commission for the great tour of historic homes held this September. With the generosity of a few of our residents who opened their homes, the commission was able to raise funds for a sign for the historic district here in Centerville.

There are some remarkable historic homes right in our community and the

Landmarks Commission is working to preserve, identify, protect and enhance these historic sites. One of the homes (pictured here) is located in Centerville's Historic District.

Cemetery Cleanup

A few times each year, Centerville Parks and Cemetery Department remove all grave decorations at the cemetery. The next cleanup is November 1st-8th. If you have any grave decorations you'd like to save, please remove them before November 1st. Any decorations left will be removed and discarded by the Parks and Cemetery crew.

Overnight Winter Parking

Overnight parking is restricted during the winter. This enables the Public Works department to clear the streets of snow. In adherence to Centerville City code 14.06.010, "No person shall park a vehicle on any street within the jurisdiction of Centerville City during the period from December 1st through March 31st, between the hours of 12:00 midnight and 6:00 a.m." Vehicles parked for more than one hour between midnight and 6 a.m. on a public street may be issued citations. The term "vehicle" includes, but is not limited to cars, trucks, boats, motor homes or any type of trailer. Exceptions will be made for reasons approved by the Police Chief.

Snow Plows and Cul-de-sacs

Just a reminder - During snowfall, cul-de-sacs are plowed last. The City will be running crews in two 12-hour shifts to maintain roads.

2019 Ski School Registration

Ski School registration begins **November 1**, and the Ski School starts **Friday, January 4, 2019** and runs for five weeks. Register in person at City Hall. Office hours are M-F 8:00 a.m. to 5:00 p.m. November 1st registration date is for Centerville residents only. If by December 1st there are still openings, registration will open to non-residents. Contact Lisa Summers at 801-295-3477 with questions.

Elections!

Centerville has a new polling location this year. Day-of voting will now take place in the City Council chambers at City Hall, 250 North Main Street.

Vote by Mail ballots should have been mailed to you earlier this month. Ballots can be dropped off at City Hall (or any city office in Davis County), or mailed back to the county **no later later than Monday, November 5, 2018**. There is a ballot box inside City Hall. Make sure to put your ballot in the Voting Drop Box and not in the drop box found in the parking lot. More information can be found at davisvotes.com.
